Montgomery Chapter AIA Intern Director Needed!

The role of Intern Director is a 2 year position starting early in October as a transition period. The official time clock will start in January 2011 and will run through December 2012. This is a great opportunity for young Associates to learn what the AIA can do for them as well as what they can do for the AIA. Those interested should contact **Amy Bell** or any Executive Committee member. The new Intern Director will be selected in September.
